3. Working with others

3.9 Wales' International Development Network

Overview

This information sheet provides contacts and details of networks and organizations active in international development across Wales' Third Sector, as potential sources of advice, support or partnership.

A separate information sheet in the series (*7.4.15 Finding and Getting Money: Funding for International Projects*) details sources of funding for voluntary organisations that are involved with international projects, community links and exchanges with the 'global south'.

Government

Welsh Government 'Wales for Africa' Programme

www.walesforafrica.org

'Wales for Africa' is a small programme through the Office of the First Minister, supporting government and civil society action on Welsh international affairs with a focus on sustainable development and contributing to the UN Millennium Development Goals (MDGs). These include many initiatives listed below.

UK Department for International Development (DfID)

www.dfid.gov.uk/Working-with-DFID

DfID have a number of funding, information and support programmes of interest to the third sector.

Civil Society

Wales Africa Community Links (WCVA) and UN Gold Star Community Awards

www.walesafrica.org

WACL support development of quality community partnerships between Wales and Sub-Saharan Africa, to deliver projects impacting on Health, Youth, Livelihoods, Environment and Social Harmony. Through WCVA, the scheme provides grant funds, advice and expertise, information, networking and events, underpinned by good practise and recognition of the 'UN Gold Star Communities Award'.
